About Kiru

Kiru is a transformational speaker, leadership facilitator, and cultural change expert with a story that captivates and a delivery that empowers.

From starting over as an immigrant in regional Australia to leading global change and leadership programs across 35+ countries, her life is proof that resilience, empathy, and clarity can rewrite destinies.

A lifelong learner, she travels the world each year to learn leadership & neuroscience completing executive education at Harvard and MIT in person.

Kiru delivers her workshops with insights backed by neuroscience, human psychology, and years of lived experience.

Services
